Step into the tumultuous world of ancient Rome in Masters of Rome: Rise of Emperors, a captivating strategy simulation that immerses you in the heart of the Republic's decline and the rise of the Empire.

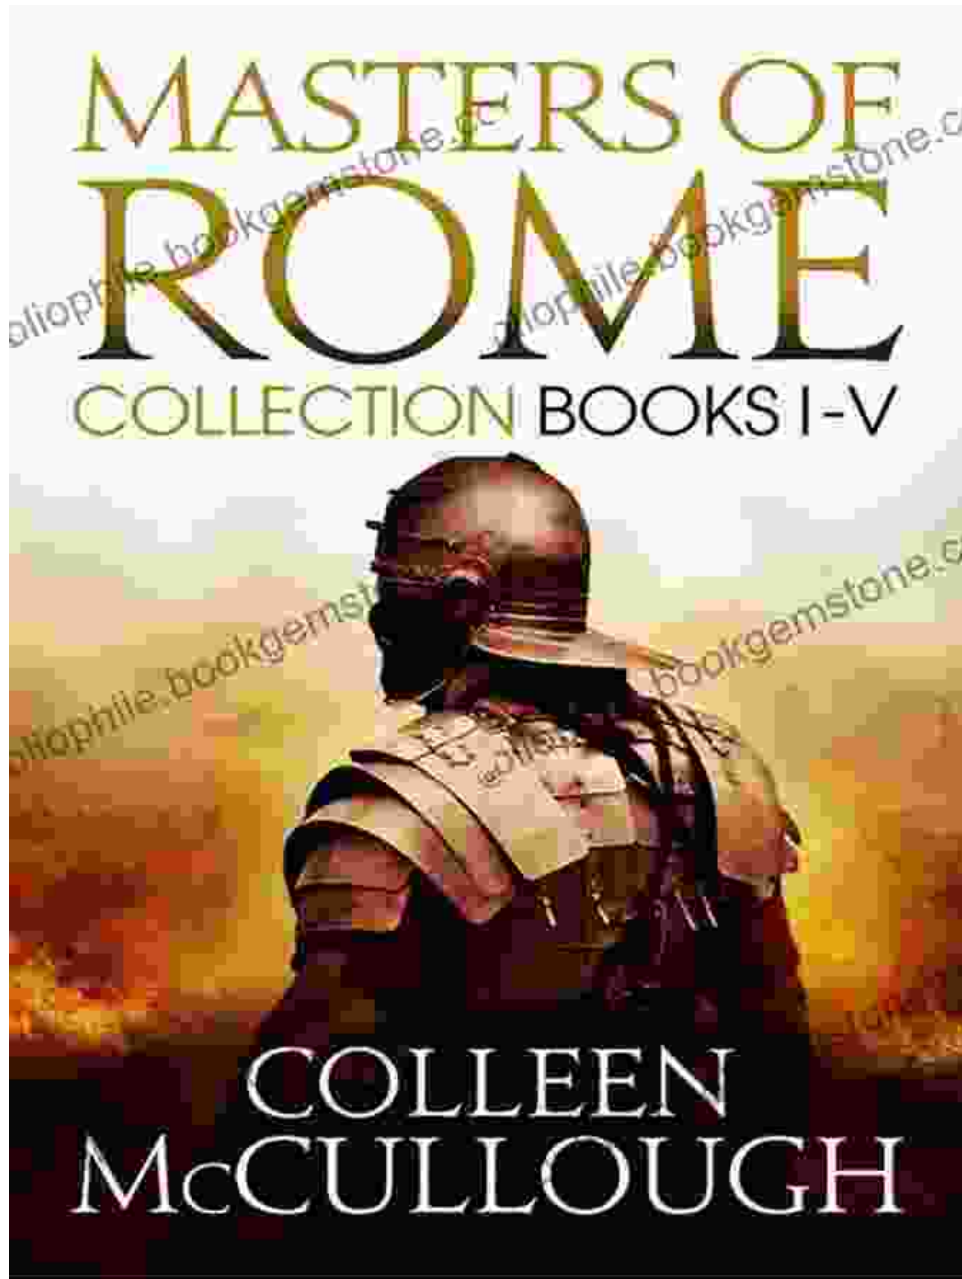

As an ambitious patrician, your destiny unfolds within the vibrant tapestry of Roman society. Embark on a quest for power, navigating intricate political rivalries, commanding legions on vast battlefields, and shaping the fate of the Eternal City.

Build Your Empire

In Masters of Rome: Rise of Emperors, you'll control a powerful patrician family, vying for political dominance in the Roman Republic. Guide your

dynasty through generations, expanding your influence and cementing your legacy.

Forge alliances, bribe rivals, and manipulate the populace to secure your position. Build a vast network of patronage, ensuring the loyalty of senators, generals, and influential citizens.

Command Legions

When diplomacy fails, prepare for war. As a patrician general, you'll command vast legions, clashing against rival armies on sprawling battlefields. Deploy your forces strategically, maneuvering your units to gain the advantage.

Engage in epic siege warfare, laying siege to fortified cities and defending your own from relentless invaders. Experience the thrill of victory and the agony of defeat as you lead Rome's legions to conquest or repulse barbarian hordes.

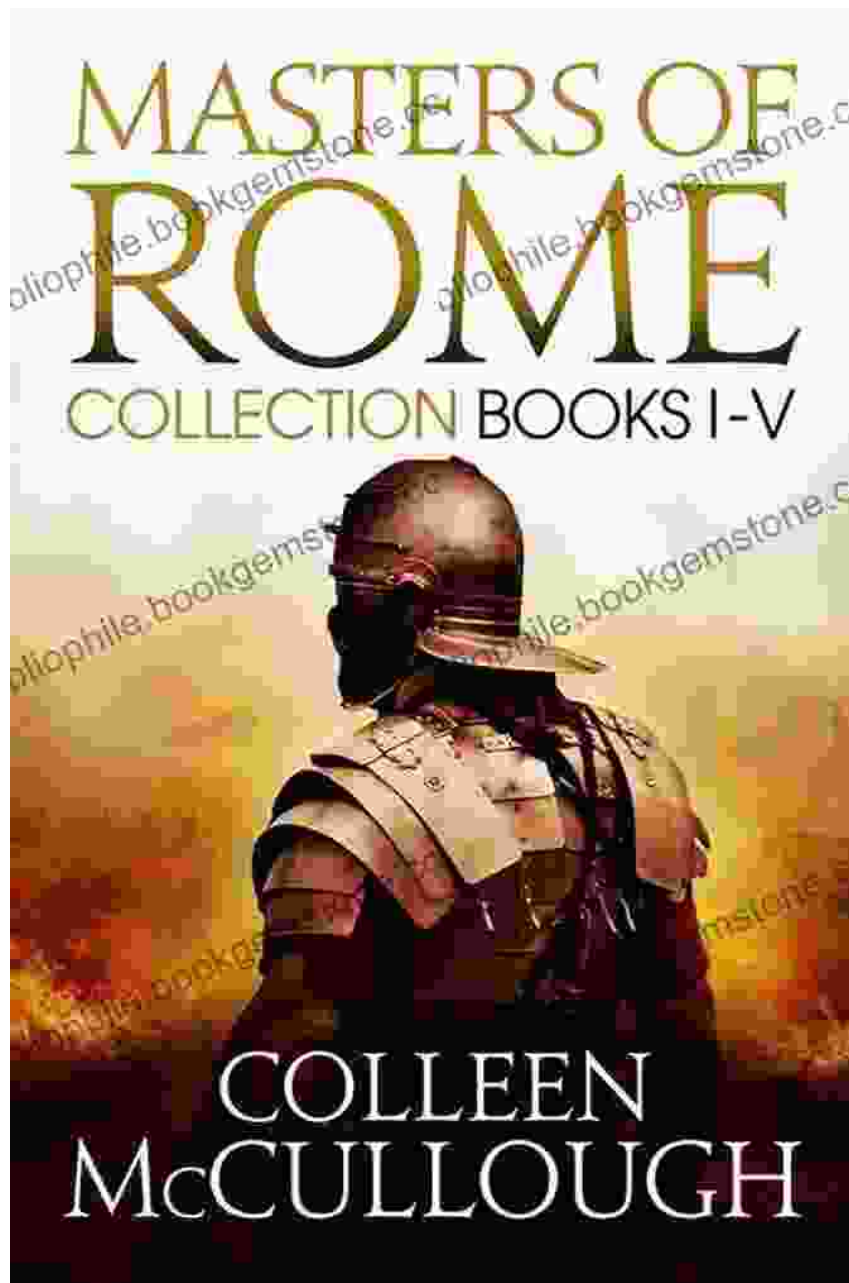

Shape Roman History

Your choices will shape the destiny of Rome. Embark on pivotal missions, influencing historical events and leaving an indelible mark on the course of history.

Guide Julius Caesar's rise to power, witnessing the assassination of Pompey and the outbreak of civil war. Steer the Republic towards tyranny

or democracy, shaping the political landscape of the Roman world.
