

The Heck Pictorial Archive of Art and Architecture: A Visual Journey Through History

The Heck Pictorial Archive is a vast collection of over 200,000 images of art and architecture from around the world. The archive was assembled by Dr. Gebhard Heck, a German art historian, over a period of more than 50 years. The collection includes images of paintings, sculptures, drawings, buildings, and other works of art from all periods of history, from ancient Egypt to the present day.
