From the ashes of nuclear devastation rises "The Last Day: Fallout Prequel," a standalone survival-horror game that unveils the haunting origins of the iconic Fallout universe. Embark on a perilous journey through a ravaged world, uncovering the secrets that led to the cataclysm that consumed humanity.

## **A Twisted Prelude to the Fallout Saga**

As the prequel to the beloved Fallout franchise, "The Last Day" transports players to the brink of the Great War that shattered the world. Witness the harrowing events that unfolded in the lead-up to the nuclear holocaust, shaping the desolate landscape that would come to define the Fallout series.

## **Explore a Shattered World**

Navigate through a sprawling open-world teeming with post-apocalyptic ruins, abandoned settlements, and remnants of a once-great civilization. Uncover hidden caches, encounter mutated creatures, and make difficult choices that could alter the course of your survival.

## **Fear and Survival in a Hostile Environment**

"The Last Day" immerses you in a survival-horror experience where every breath could be your last. Scavenge for resources, craft weapons and supplies, and master the unique mechanics designed to evoke a sense of vulnerability and desperation.

## **Unravel a Haunting Narrative**

As you progress through the game, uncover a compelling storyline that explores the human condition in the face of unimaginable adversity.

Encounter memorable companion characters, each with their own motivations and secrets, and witness the transformative effects of the nuclear catastrophe on their lives.

## **A Devastating Legacy and a Distant Hope**

"The Last Day: Fallout Prequel" not only provides a haunting glimpse into the past but also sets the stage for the future of the Fallout universe.

Discover the genesis of the Brotherhood of Steel, the enigmatic Enclave, and the secrets that lie buried beneath the irradiated wastelands.
