# The Names Sun Tracks 16: A Journey Through Native American History and Culture

The Names Sun Tracks 16 is a collection of essays, poems, and stories by Native American writers that explores the rich history and culture of Native Americans. The book is divided into four sections:

- **The First Voices**: This section features essays and poems that tell the stories of Native American creation myths, legends, and oral histories.

- **The Spirit of Resistance**: This section explores the history of Native American resistance to European colonialism and assimilation.

- **The Healing Journey**: This section features essays and poems that focus on the healing and recovery of Native American communities from the trauma of colonialism.

- **The Future of Native America**: This section looks at the challenges and opportunities facing Native American communities in the 21st century.
