The novel begins with the Space Wolves Chapter being recalled to their home planet of Fenris after a long and bloody campaign against the Orks. However, upon their arrival, they find that their homeworld has been invaded by the forces of Chaos. The Space Wolves are forced to fight their way through hordes of Chaos cultists and daemons in order to reach their fortress-monastery, the Fang.

Once inside the Fang, the Space Wolves are confronted by the leader of the Chaos forces, a powerful sorcerer named Magnus the Red. Magnus

offers the Space Wolves a chance to join him, but they refuse. The two sides then engage in a bloody battle that rages throughout the fortress.

In the end, the Space Wolves are victorious, but they pay a heavy price. Many of their warriors are killed, and their Chapter Master, Logan Grimnar, is seriously wounded. However, they are able to drive Magnus and his forces from Fenris.
